Sir:

Patentees hereby request that the above-identified U.S. patent be corrected to state the name of the assignee, which is "**Schott Glass Technologies Inc.**"

The assignment was recorded on February 29, 2000 in the parent application, which issued as US 6,652,972, which assignment assigned also the current continuation patent, as set forth in § 3.11 before issuance of the current patent, which was on April 24, 2007. See Reel/Frame 010652/0706 on the attached Patent Assignment Abstract.

The Issue Fee Transmittal Form PTOL-85B erroneously identified the assignee as "Schott, AG." The failure to include the correct assignee name on the PTOL-85B was inadvertent.

A processing fee of \$130.00 set forth in § 1.17 (i) is attached.

A request for a certificate of correction under § 1.323 of this chapter accompanied by the fee set forth in § 1.20(a) is submitted herewith.

Upon granting of this request, applicants request that the file be forwarded to the Certificate of Corrections Branch for issuance of a Certificate of Correction.
